OZNAKE, KI KAŽEJO POT.

MARKINGS THAT SHOW THE WAY.

Celotna pot poteka po uradno markiranih planinskih poteh. Vodi te Knafelčeva markacija – bela pika v rdečem krogu, naslikana na drevesih, skalah in vidnih mestih in oznaka Pohorje – Kozjak Trail. Kjer se poti križajo, ti smerne table povedo smer, čas hoje in zahtevnost odseka.

The whole route runs along officially marked mountain trails. You are guided by the Knafelc marker – a white dot in a red circle, painted on trees, rocks and visible spots, and the Pohorje – Kozjak Trail sign. Where trails cross, signposts tell you the direction, walking time and difficulty of the section.
